# Waterfront Authority Supports Premier's Vision for the Cove

The Sullivans Cove Waterfront Authority today expressed its full support for the Premier's vision for Sullivans Cove.

"The Authority absolutely supports the Premier's view that the community deserves clarity about the dual roles of development and planning," said Marietta Wong, Acting Chief Executive, Sullivans Cove Waterfront Authority.

"Our number-one priority has always been and will continue to be the wellbeing and vitality of the Hobart waterfront.

"We are especially encouraged by the Premier's desire to focus on waterfront issues and we look forward to working together to improve outcomes for the community as the waterfront evolves, just as it has always done throughout its history.

"One point is certain – we will never lose the rich diversity of uses for which the Cove has become known locally and internationally. The Cove will always remain a working port, cultural hub, tourist hotspot and fishing precinct."
